## ALL SCHOOL NEWS

### FROM THE SUPERINTENDENTS OFFICE

Dear DAA Families,

In our last SPOTS before the winter holidays, I am struck by how quickly this year is passing by. The weeks between the Eid break in October and the beginning of the winter break next year have flown by, and we all look forward to resuming a more regular schedule in the months ahead.

I would like to thank the many parents who attended conferences, concerts, and other special events in the last few weeks, as well as to those dedicated DAAPA volunteers who have transformed our PS/ES atrium into a winter wonderland. There are just so many ways our parents contribute to making DAA the school that it is. We do our best to engage parents in the learning process at DAA, and we appreciate your willingness to support your children. The home-school partnership is a critical one, to be sure. There is a mountain of research that indicates the most accurate predictor of a student's achievement in school is not income or social status, but the extent to which a student's family fosters a home environment that emphasizes learning, expresses high (but appropriate) expectations, and actively engages in their children's education and in the community.

As I reflect on my first few months as DAA's superintendent, I am more convinced than ever that our home-school partnership is why DAA is the school it is. Matthew Wilding, DAA's Deputy Superintendent, has a motto that I like very much: "Parents send us the best children that they have." From my perspective, I believe teachers are obliged to see the promise of your children, which requires that we know your sons and daughters well as individuals. DAA needs to be a safe, child-centered place where teachers are idealistic about the potential of every student and tenacious in their support for a child as she learns, takes risks, makes mistakes, and grows. As we all know, human beings tend to normalize their behavior. My hope is that DAA continues to understand this and that we consistently work to build an ethos in which the pursuit of excellence and intolerance for mediocrity is normal—for students, parents, and teachers. That ethos takes effort, commitment, and passion, and absolutely requires a positive, healthy home-school partnership.

Our efforts to improve security at DAA are continuing, and I anticipate that you will soon begin to see more changes around the campus. I am pleased to share that Saeed Al Muntafiq, GEMS' CEO, visited DAA last week, and he enthusiastically supports our efforts to improve the school's security systems. He agrees that this obligation is sacred and is every school's most essential duty. It is, after all, only after students feel safe and secure, physically and emotionally, that learning can occur.

The next full SPOTS will be released in January. Until then, we wish you happy holidays, and safe and joyful travels, both near and far.

See you in the New Year!

Kind Regards,  
Jim Hardin  
Superintendent / CEO

## PRIMARY POINTS (Kindergarten 1 - Grade 2)

Make sure to read the corresponding DAAPA NEWS section of this issue of SPOTS for all the latest Primary School parent sponsored events!

### FROM THE PRIMARY SCHOOL OFFICE

PS Parents,

Thanks so much for coming and being a part of our wonderful mini-musical, **The Big Chill**, this past week. The kids felt good about the show going in, but after your enthusiastic and overwhelmingly positive response, after the show they felt great. There was so much that was enjoyable about the show, but what made it great was how well the show (the artwork, the video, the acting, and the singing) represented the talent, enthusiasm, and joy of our kids at DAA's Primary School. Thanks for being a part of it!

There are a lot of wonderful things about DAA, but one of them is how DAAPA helps make sure that when our kids walk into school there is a sense of both joy and wonder. As you have likely seen our "frozen" foyer is beautiful and definitely creates this feeling, so thank you so much to our DAAPA volunteers for spending their time and energy to make sure the school looks amazing for our kids.

Grade 1 & 2 Parents, if you haven't already, ask your child about I.T. class before break. They have been participating in a world-wide event called "The Hour of Code" and learning how to code in I.T. class in a way that is both fun and challenging. See the message below from Ms Erin our I.T. teacher and definitely go to the I.T. blog (<http://itprimaryew.blogspot.ae/>) to learn more.

Dear Parents,

We live in a world surrounded by technology. And we know that whatever field our students choose to go into as adults, their ability to succeed will increasingly hinge on understanding how technology works. That's why our Grade 1 and Grade 2 students are joining in on the largest learning event in history: The Hour of Code, during Computer Science Education Week (Dec. 9-13). Last year, 15 million students tried computer science in one week. This year, we're joining students worldwide to reach 100 million students! Please check out <http://hourofcode.com/us> and the PS IT blog <http://itprimaryew.blogspot.ae/> for additional information.

Students coding in I.T. class with Angry Birds!

Happy Coding!  
Ms. Erin

Make sure to read the corresponding DAAPA NEWS section of this issue of SPOTS for all the latest Elementary School parent sponsored events!

### FROM THE ES PRINCIPAL'S DESK

We are getting into the holiday spirit in the ES! Our DAAPA moms have helped us by decking our halls, doors and foyer in winter holiday style! Thank you to everyone who participated in the decorating.

**Holiday Concerts:** Thank you to all of you who came out to support our winter holiday concerts on Tuesday, Wednesday and Thursday! We were pleased to see so many of you there. The children brought smiles to all of us and were dressed so beautifully! Special thanks goes out to the following staff members for their efforts: Ms. Kat for all of her hard work with the students to create the wonderful production, Mr. Sandeep who handled the sound and technical needs, Ms. Yvonne who did an amazing job of the programs and Ms. Rene for helping to coordinate many aspects of the event behind the scenes. Check out our photos on this page!

**ES Winter Carnival Fun!:** On **December 17th** the ES students will be participating in DAAPA's Winter Carnival! Students in their classes will visit the carnival during the school day and participate in a number of planned events. As with past years, there will be a photo booth where students can dress up in holiday fun and have their photo taken. The cost of the photo, if they wish to purchase one, is AED 15. There will be green order forms sent home for the photos. These forms are due back to classroom teachers by Monday morning.

**ES UN Day, Thursday, February 24th:** Please note that our ES UN Day will be on February 24th this year. On this day, students are encouraged to wear the colors of their home country, or their country's national dress. This may be helpful to know if you are traveling to your home country over the holidays and want to purchase items relate to the spirit of the day.

**Important Reminder:** On Thursday, December 18th dismissal will be at noon.

Have a super week ahead!

## MIDDLE SCHOOL MESSAGES (Grades 6-8) *Make sure to read the corresponding DAAPA NEWS section of this issue of SPOTS for all the latest Middle School parent sponsored events!*

### FROM THE MIDDLE SCHOOL OFFICE

**Lockers:** Our Middle School students were able to move into their new shiny lockers. With some minor readjustments, we are all settled in!

**'Tis the Season:** A special thank you to our DAAPA volunteers for decorating the Middle School. The decorations create such a warm and festive atmosphere and our staff and students love it!

**Festive Dress Day:** It is a tradition in the Middle School for our students to dress in Festive outfits or Seasonal colors (red and green). We will have this dress day on **Wednesday, December 17th**. Please ensure the outfits follow the school dress code rules. (No shorts, shoulders need to be covered, skirts should be to the knee, wear closed toed shoes)

**MOGA Madness: Thursday, December 18<sup>th</sup> will be our half day MOGA event.** We will start the morning with our December assembly and then move onto our MOGA activities which include events such as Tchoukball, Chicken Bench Ball and Giant Volleyball to name a few. Students should come to school in house color shirts, PE shorts and wear running shoes so they are ready to participate in all the activities. Please bring a water bottle and snack.

**Support Staff Gift Bags:** Every year in the middle school, we like to show our appreciation for those people working behind the scenes by cleaning our facilities, driving our school buses, setting up for special events and the countless other jobs they keep this school running smoothly. All Middle School Life Skills classes were tasked with bringing in a few items to fill a gift bag. These bags were delivered to this special group of people on Thursday afternoon. It was really a special time for the students to give back and cheer on a special group from our DAA community. Our staff were very appreciative of this generous and thoughtful tradition that has been part of the Middle School for many years now!

Warm regards,  
Andrew Ball and Joan Wiens  
MS Admin. Team

## HIGH SCHOOL HIGHLIGHTS (Grades 9-12)

Make sure to read the corresponding DAAPA NEWS section of this issue of SPOTS for all the latest High School parent sponsored events!

### FROM THE HIGH SCHOOL OFFICE

**MUN conference in Paris:** Last weekend, 14 students travelled to Paris to participate in Model United Nations (PAMUN). They went as delegates representing Moldova and Nigeria,

debating issues such as environmental protection, human rights and regional conflicts. DAA also had two

students chairing committees and, for the first time, an MUN journalist. (see photos)

The new **IB Sports Science** has taken off but it is not for the squeamish

This year DAA launched the IB Sports, Exercise and Health Science (SEHS) program, which students can select as a Standard Level (SL) Science to add to their IB profile.

Throughout this 2-year course, students cover a range of topics and carry out practical (experimental) investigations in both laboratory and field settings. Taylor Zankel seen pictured here dissecting a knee joint during one of the anatomy units.

This exciting journey can be the gateway to a career in a host of sport, exercise and health related professions such as a Sport: doctor, physiotherapist, physiologist, bio-mechanist, masseur, psychologist, nutritionist, coach, or professional and many more.

Students who are interested in taking this course in the future are welcome to discuss course details further with Ms. Fleming and or current students who can give greater insight by sharing their experiences and understanding, including what really goes on in the IB SEHS classroom!

**Building a school in Nepal:** At the end of November, Mr. Josh Nelson, our CAS co-ordinator, led the way with a Service Learning initiative of his own with Dubai Cares, when he travelled to Nepal to help build a school. "Working with Dubai Cares allowed me to see the direct impact that Dubai Cares has on increasing equal access to education", Mr. Nelson said. "This trip reminded me of how blessed I am to live and work in Dubai", he added.

**DAA Golfers perform well at MESAC:** Congratulation to our DAA golfers who performed well in the inaugural MESAC Golf Tournament which was held on Wednesday and Thursday at Saddiyat Island Golf Course. Kim Chiang did DAA mighty proud by lapping the field with an impressive 36 hole score of +2. (see photos)

**Thanks for all you do - Thanksgiving 2014** was a great success. The Master of Ceremonies was Anushka Kartha and she carved the turkey with the superintendent, Dr. Jim Hardin. The teacher band performed and there were other student performances. But the stars were the workers (see photo) to whom appreciation and thanks was given for all their hard work in making DAA a great place to be.

## HIGH SCHOOL HIGHLIGHTS (Grades 9-12), continued

**Hair today gone tomorrow! The Radiant club**, run by Lucie Downer and Raseel Ghoul, helped raise awareness of hair loss in young people, at the last school Assembly. Club members cut the hair of volunteers and it was designed to support the *Children with Hair Loss Foundation*. The hair is being sent to the foundation for the use in wigs. (see photo)

**Summer Programs:** Grade 9, 10 and 11 students – Information on summer programs is available in the counseling office. Summer programs are a great way to spend some time getting to know what a university or a city is liked. You get to experience first hand what it might be like to live and study at a university. Now is the perfect time to start thinking about summer programs and finding one that matches your needs. Stop by the counseling office for more information!

**IMPORTANT DATES:** The **Winter Concert** will be on Wednesday, December 17 at 7p.m. and **Winter break** starts at 12:00 on Thursday December 18.

Happy holidays and a peaceful New Year!
